

# LocTeam

Expand Globally. Communicate Locally

## **NATIVE SPEAKERS OF NORWEGIAN FOR A LOCALIZATION PROJECT FOR 2 HOURS**

Barcelona

Founded in 1990, LocTeam is a multilingual language service provider delivering comprehensive app translation, Mac and iOS software localization, marketing and document translation, website localization, as well as book and eBook production, design and translation services to an international client base.

Your team at LocTeam includes translators, proofreaders, engineers, developers, testers, editors, graphic designers, project managers, as well as a network of more than 1,500 experienced and qualified linguistic specialists.

### **Listing info:**

**LocTeam is recruiting native speakers of Norway due to phonological nature of the project to improve the performance of a voice recognition program.**

We are currently seeking for Norwegian native speakers living in Barcelona and/or Madrid for a 2 hours survey regarding a voice recognition software. You will listen to phrases in your language from a mobile device and you will grade their quality.

For this survey you will be hired and paid for two hours of work equivalent to 85€ gross. (It`s also possible as a freelancer).

### **Qualifications / Skills required:**

- Candidates must be native speakers of Norwegian
- Candidates must be eligible to work in Spain.

### **We offer:**

- 85 € gross per 2 hours.
